Case No. C16-1422RSL

ORDER GRANTING PLAINTIFFS'
MOTION IN LIMINE

14 This matter comes before the Court on "Plaintiffs' Motion in Limine." Dkt. # 79.
15 A state court jury recently determined that there was no joint venture agreement or
16 contract between Yadvish/Yachtfish Marine, Inc. and Holmes/Marquis International
17 Holdings, and plaintiffs seek to exclude evidence and testimony offered to prove the
18 contrary. The motion is unopposed and is therefore GRANTED. Evidence related to the
19 relationship between plaintiffs and the Yadvish defendants may be relevant to other
20 issues, such as knowledge or intent, but it may not be offered to prove the existence of a
21 joint venture agreement or contract.
